Information for foreign patients

A guide to your outpatient visit

Klinik und Poliklinik für Innere Medizin II

This leaflet provides you with information on your outpatient visit.

We have a long tradition in the treatment of patients suffering from diseases across the whole range of internal medicine – experience you will benefit from.

Our key medical services

- Gastrointestinal oncology
- Endocrinology (diabetes mellitus, diseases of the thyroid gland, pituitary gland and adrenal gland)
- Infectious diseases (HIV, viral hepatitis)
- Chronic-inflammatory bowel diseases (Crohn's disease, ulcerative colitis)
- Gastrointestinal endoscopy (e.g. colonoscopy, gastroscopy)
- Check-up/preventive examinations (e.g. colonoscopy, gastroscopy)

Arranging an appointment

Please arrange your appointments in the private outpatient clinic early on by e-mail (see the back of this leaflet for the contact details).

**Appointments take place on
Tuesdays and Thursdays from 11 a.m. – 4 p.m.**

Please submit relevant previous findings in English or German.

Appointment confirmation for the Embassy

We are happy to prepare an appointment confirmation for a visa application at the relevant embassy.

Advance payment and liquidation

**Opening hours office Tuesday and Thursday,
9.00 a.m. – 4.00 p.m.**

Before treatment starts, an advance payment equivalent to the expected costs is to be made by credit card.

Cost coverage is not accepted for outpatient treatment. Fees for medical services are charged at 6 times the rate of the German medical fee schedule (GOÄ).

In-patient stay

If hospitalisation or day-care treatment is necessary (e.g. chemotherapy), you will receive a cost estimate. You can enquire about payment terms at the office for foreign patients – “Büro für ausländische Patienten” (BAP).

Tel.: +49 (0) 89 4140-6400

Administrative procedure

1. Patient registration in private outpatient clinic
2. Specification and planning of required diagnostic tests and therapy
3. An advance payment of the estimated costs is to be made at the office (opposite the laboratory)
4. Treatment procedures according to scheduled appointments
5. Discussion of results/final discussion on the agreed date.

Important: To prevent you from having to wait a long time for the invoice, please inform us beforehand when the final discussion is to take place.
